# FOREWORD

IN 1948-'49

Schools opened late in September because INFANTILE PARALYSIS had waged a successful campaign throughout the state of North Carolina. A new principal, WALTER J. GALE greeted the Seniors and after his words of welcome laid down three rules to be obeyed: No smoking, No leaving the school grounds, No going up and down the wrong steps. FOOTBALL season was already underway before the first school bell rang, but students under sixteen were not allowed at the first game. After school started, it did not take us long to choose our cheerleaders, and our BAND was again at work. In October, the North Carolina STATE FAIR had a double attraction for us. We had part of the day to attend, and the greatest exhibit of all was PRESIDENT TRUMAN who paid a visit to our city. National and State elections were not far off. At school, in our government classes, we had a convention and then an election. On that Tuesday in November we had an election in our school. On Wednesday we had radios in our classrooms to follow what proved to be the biggest political upset of the century—HARRY S. TRUMAN was elected PRESIDENT. KERR SCOTT was elected GOVERNOR. In other classes we had acquired a new respect for a man by the name of Gilmartin. We found that physics, solid geometry, French, Spanish, typing, shorthand, dramatics, music, English, history, bookkeeping, mechanical drawing, industrial arts and other subjects kept us busy everyday. NEW CLUBS were organized. Everybody belonged to at least one of them. Organizations, such as the Social Dance Club, the Psychology Club, the Good Listening Club were new to our school. In October, we began work on the LATIPAC. Individual pictures were made in the auditorium and group pictures interrupted our schedules for two or three days.

The *Hi-Times* appeared on a day each month to remind us of some things in particular. So it was at THANKSGIVING and again at CHRISTMAS. Along with our work we entered into the spirit of these seasons. We counted our blessing. We enjoyed the hurry and the rush and the excitement of getting ready for Christmas. We thought that December 23 would never come. Every room at school was decorated for the Christmas season. In the chemistry classes, only things from the chemistry department were allowed on the tree. In Miss Cogdell's solid geometry class, only geometrical figures were used. Both turned out to be things of beauty as well as objects of interest. January 3, 1949, found us again at school. The State Legislature was in session. Nearly every student attended a session at one time or another. Many students stopped by the museum to see the presents on display that came from the French Friendship Train. Before EXAMINATION time arrived, our BASKETBALL team was seeing action several nights a week. This basketball team turned out to set a better record than any Raleigh basketball team ever had. The most humorous games of the year were played when the men faculty members consented to play the varsity, and the women faculty members consented to play the Girl's Athletic Association team. February's biggest thrill for us was the election of the QUEEN OF HEARTS. This year we had the pleasure of seeing the president of the Senior Class crown his girl queen. We also selected our SUPERLATIVES. In the spring forty-two students left for NEW YORK. We did more than attend the Press Convention. Immediately after this trip was over, we had our SENIOR PLAY—"Mystery in Blue." March and April found music students at Meredith and Greensboro, dramatic students at Chapel Hill, and state contest were conducted here in our own school. The Juniors entertained us at a dance that recalled the pleasures of the seasons in the decorations they used. Every Friday night was filled with a dance, a game, a play or something of the like. Our baseball, track, and swimming team made good records. In May we realized that we were SENIORS. We planned for the "the big Week." We filled out questionnaires; we promised not to be undignified in our caps and gowns; we wrote script for Class Night; we planned the picnic; we prepared for the Senior issue of the *Hi-Times*; we studied!

As you turn the pages of this the 1949 LATIPAC, we hope that you will live again the pleasant memories of this year.

## DEDICATION

*Best wishes  
N. A. Miller*

We, the Senior Class of 1949, proudly dedicate this volume of our cherished high school memories to one who has served the students faithfully, both as a coach and a friend. His willingness to extend a helping hand has done much toward making this our last year at Broughton, a more profitable and enjoyable one. Thus, we dedicate this annual to

## *SENIOR CLASS OF 1949*

As seniors, the time has come when we have reached the peak of our careers and ambitions, and all of us pause to look back over the years at Broughton. We remember the pleasures of our years at work, our activities, the course they have shaped, and so quickly we have not realized that they were perhaps the best years of all. The friends we have made, the joy and sadness of our days together are memories which are held deep within our hearts.

We remember you as a part of our lives together, but we shall strive to do our best wherever we go or in whatever we do, so that Broughton will always be proud of us.

For in the years of your guidance and instruction we have learned to believe and know that what we become we owe to you.

For the friends you have helped to make our days some of the best we will long remember. Good-bye, good-bye. At the Milton B. Broughton High School we say a long farewell, but we look with eagerness to a future which we know will be bright because you will help to make it so.

## FIRST PERIOD GOVERNMENT CLUB

*[The following names were taken from the original manuscript.]*

## SECOND PERIOD GOVERNMENT CLUB

[illegible]

## FOURTH & FIFTH PERIOD GOVERNMENT CLUB

Miss Richmond's three government classes organized themselves into Executive and Legislative Departments similar to those of the Federal Government. The first period class comprises the House of Representatives; second period, the Cabinet; fourth and fifth period, the Senate.

Regular sessions were held every day. The House had committees and news reports, the introduction and discussion of bills, panel discussions, and debates.

After bills were passed by the House, they were sent to the Senate where they were again referred to committees, debated, and voted upon.

The Cabinet was seen in President Truman in the preparation of his present message to Congress.

The final project of the classes last fall was the conducting of a mock political rally and presidential election. The upper classes, civics history, and study halls were invited to attend the rally. The platforms of the Democratic, Republican, States Rights, and Progressive Parties were presented.

After this "Political Education" campaign, an election of the presidential electors was held in the home rooms. Registration and voting by ballot was the plan used.

A mock court trial complete with judge, lawyers, and jury was also dramatized.

In the spring of government classes were organized into three departments of the United Nations. Panel discussions concerning international problems arising before the U. N. were presented.

In addition to textbook work the students had movies, outside speakers, and debates.

It is fast becoming a center of understanding and good will.

Several films on Latin America, reports by students, imaginary "tours" of several countries, and occasional guest speakers have contributed to this understanding. To afford practice in learning the living Spanish, short plays given in class, Spanish games, and the dramatization of a few actual incidents are parts of the program. A number of students have corresponded with young people in the Spanish speaking countries.

Many students have earned the right to buy and wear the Spanish club pin by receiving points for contributions to programs according to a merit system worked out by the club.

The climax to the club's activities each year is the annual banquet held in May

The Latin Club was composed of the best of the Latin students in the school. It met every week during the class period.

The purpose of the club was to build up a library of Latin books and to give the members a chance to read and discuss them.

The members took just pride in their library which has been built up from year to year to meet the needs of both ninth and tenth grade students. Those books best suited to the ninth grade were put in Mrs. Fletcher's library; those for more advanced, in Miss Strother's.

Bobby Duncan was appointed head librarian and he had several assistants. They operated on the same plan as the Broughton Library.

With its collection of Latin books and its excellent library, the club was one of the best high school Latin libraries in the state.

With the increased membership in the Dramatic classes, interest has been high in this field this year. The Little Theatre, under the direction of Miss Doris Sparks, adviser, and "Red" Pope, president, has had an eventful year.

This group cooperated with the Music Department in producing the operetta "Riding Down the Sky" and on January 21 presented a three-act, teenage comedy "Don't Take My Penny" as its annual production.

For programs in the Little Theatre, several one-act plays and pantomimes were given. Speakers representing different phases of the theater—radio and music in connection with dramatics—were also featured. The nucleus of the committees for the Senior Play was formed by the Little Theater.

me to Dramatics classes. There are fifty members in this club and they meet twice a week in the Auditorium.

Members of this club decorated the cafeteria during the Christmas season. Two plays given by the Little Theater and the Golden Masquers were entered in the annual Spring Play Festival in Chapel Hill during March.

Honorary dramatics society, The Golden Masquers, has done much to improve dramatic relations between the school and the stage. It has also given counsel to the selection of plays and dramatic problems of the school.

## SENIOR HI-Y

The year of 1948-49 was an outstanding one for the Broughton Hi-Y, as the club has accomplished many outstanding projects. This club is sponsored by the Y.M.C.A. and works in close harmony with the school and community.

In November a school-wide clean-up campaign was sponsored by the Hi-Y with excellent results. When the school clocks and bells were out of order, Hi-Y boys blew whistles for change of classes. As a further help to the school, this club offered monitors to watch the cafeteria lines and work successfully the entire year in connection with the school traffic committee. This group also gave gifts to a needy family during Christmas. Every fourth Sunday the members attend in a body one of Raleigh's churches.

The Hi-Y presented its annual Minstrel in March and gave a dance during the second semester. A Leap Year Dance was given by the Hi-Y in late December, carrying out the "girl bring boy" motif.

The club meets every Thursday night at the Y.M.C.A.

# LATIPAC CLUB

There's more work to putting out an annual than just taking a few pictures and sending the copy to the printer's. As you enjoy this LATIPAC, think about some of the work that's behind it - the work that had to be done in order to give you an annual.

The first thing that had to be accomplished before starting the actual work on the LATIPAC was to elect the officers for the annual. Sammy Jean Johnson was elected editor-in-chief; Ann Kelly, business manager; and Ham Godwin, advertising manager.

After the election of LATIPAC officers, there came signs that the annual was really underway. Mr. F. L. Johnson, of the Edwards and Broughton Co. took pictures and the work was really getting going because he took individual pictures as well as group pictures. However, he could take a breath now and then as David Evans assisted him in taking the group pictures.

At this time Mr. J. H. Hardison of Edwards and Broughton Co. brought us a layout for the 1949 LATIPAC. We began work.

The two journalism classes composed the literary staff and most of the advertising staff for the annual. The LATIPAC club was organized for the first time, and this club aided the journalism classes in soliciting ads. The students who sold the most advertisements were Millicent Rouse, Betty Bryan, Betsy Axe, Patsy Andrews, Iris Pendergraph, Pat Eberhart, and Sammy Jean Johnson.

Some of the students instrumental in compiling the literary part of the annual were Elsie Macon, senior editor; John Duncan, Bob Caudle, Billy Crocker, Mial Williamson, and Red Pope, who compiled the sports section; Henry Lewis, Camille Turner, Pat Weems, Mary Frances Ruggles, Madelyn Schreffler, Bobby Goss, and David Evans, who compiled the literary section; and Ann Kelly, who typed the material for the annual, and Margaret Crawford, joke editor.

Finally, after the pictures were in and all the clubs had been written up, the copy was ready to be sent to Edwards and Broughton, who have been printing the annual for many years. This year, the Senior class voted to have the name of each senior engraved on the front of his annual; so Edwards and Broughton had an extra job.

But not all of the work was done when the annual went to press. Of course, there was a lull, but work started anew when we received the first proof sheets of the advertisements. Then the journalism students got busy collecting the money for the ads. Several weeks later, the proofs of the literary section came back, and then began the task of proof-reading the entire annual. After this was completed, the annual returned to Edwards and Broughton for the final printing and engraving.

This annual, the product of the hard work of the journalism classes with the aid of the LATIPAC club, contains 20 more pages this year than it did last year. It contains a larger sports section and more snapshot pages than before.

Yes, it cost work to put out this 1949 LATIPAC, but it was fun too!

# FOOTBALL

The fall of 1941 the Rebel F. C. started a team with three wins and six losses. Although this season play was curtailed by the floods, a previous Rebel team's success sawed the annual fighting spirit and fine sportsmanship.

Captain Dick Summers, All-Southern, and All-South Pacific, and Sam Ussery were the only two holdover starters from the previous year's team. The reluctance of the squad last year little or no varsity competition, and this year. A great deal of the defeat suffered by the Cubs were due to the lack of seasoned players.

Several of the boys played in post-season games. Dick Summers was Rebel's representative in the Shreve-Bowlington. Charles Caldwell, Billy Annions, Roy Vaughn, and Frank Sherwood played in the Optimist Bowl.

Lee Sumner and N. A. McWhorter, head coach and line coach respectively, are to be highly commended for their extraordinary handling of numerous first year men.

### BULLDOGS BREAK JINX

Rochester's long domination of Durham in the football field came to a close this season in the form of a hard fought battle. A seven yard run by Arthur Lewis provided the spark of victory for the Bulldogs. The Caps' offense was stifled throughout the game but Charlie Goodwin and Ted Vallas played an outstanding game in the Cap's forward wall.

### HURRICANE DEFEATS CYCLONES

The Caps' long held streak of victory was broken with a 21-6 victory over Wilson. Coach Leo Starnes boys scored a touchdown in each of the first three quarters and in the fourth period Tackle Frank Sherwood dropped Billy Evans behind the Wilson 20 for a score. Rochester's first half was set up by a 37 yard punt return by Dick Saunders, who later played two more for the score. A drive in the second period was highlighted by a 41 yard pass from Ussery to Newton which moved the ball down to the four yard line. From there Ussery carried the ball over. Saunders again scored for the Caps, after a 45 yard drive.

### VIRGINIANS NOSE OUT CAPS

Woodrow Wilson's highly favored eleven trounced a hard fighting Rochester team by a 19-0 score. Newton provided Rochester's offense with a scoring touch down. The Presidents first touchdown came on a pass from Bengie to Coxen. Bengie personally accounted for the Virginians' last two scores with two short passes. Ussery's passing also highlighted an evenly contested game.

## AFTER TWENTY YEARS

The New Hanover High Wildcats tried to make up in one game nineteen years of winless efforts against Raleigh by trouncing the Caps 39-0. Brower, Gregg and Smith each scored twice as Wilmington scored in each period. The Caps' offense clicked its best in the last quarter. Raleigh advanced the ball to the Wilmington twenty-two yard line on this drive.

## SOMMERS STARS AS RALEIGH WINS

Dick Sommers, the backfield star of the Raleigh football team, had his best night as he scored four touchdowns and one place kick to lead his team to a 20-0 victory over Greensboro. Two of these touchdowns were on brilliant passes from Ussery. John Pierce, mopper, McKay, Goldsboro's backfield coach, came to a sorry. As for Askew and John Pierce sparked the Caps forward wall.

## CLAY'S CHILDREN BEAT STONE'S BOYS

A small but determined band of Methodists from Children's Home defeated Raleigh High's Caps 14-0. Paced by James Ree, Smith and Bill Proctor, who scored one touchdown apiece, the visitors emerged with a well earned victory. Sommers and Taylor each averaged five yards or better per carry. Walter Peete, also was outstanding in the Raleigh backfield. Sutton and Anderson fed Raleigh's line.

## STATE CHAMPS SHOW STRENGTH

Coach Bill Dole's classy Fayetteville Bulldogs ground out a classy 36-0 triumph over Lee Sumner's Raleigh Capitals. The Bulldogs found Fayetteville ahead 14-0 and then the Bulldogs came back to pile up 24 points in the last half while the Caps got their one score on a fifty pass from Eddie Rindell to Dick Sommers. Fayetteville's offense was sparked by three touchdowns passes from Sewell to Butler. Sommers and Taylor were outstanding for Raleigh.

## CAPS EAT BLACKBIRDS

Raleigh turned back Rocky Mount 20-0 before a howling crowd of 5,000 persons. Raleigh made 100 yards the first time they took possession of the ball to score their first touchdown. As Ammons took the ball over from the yard line. Ussery executed in a beautiful pass from Sommers for the Caps' second touchdown. The last rally was registered by a blocked punt by Fred Euro and the recovery of it by Charles Caldwell.

## HENDERSON BEATS CAPS

The Bulldogs of Henderson High scored two touchdowns on two long runs in the first few minutes of the game to defeat Raleigh 13-0. After that the game was played at a standstill as the crowd opened up and neither team could advance the ball on the rain-soaked field.

# BASKETBALL

The 1949 edition of Broughton's Purple Hurricanes won 18 consecutive games and was the first basketball team in the school's 20-year history to finish a regular season without a defeat.

Broughton played an independent schedule; however, they won twelve games over six class AA Eastern Conference teams. Fortunately, the Hurricanes played 10 games at home. Six scraps were on foreign courts, while two were played at the Memorial Auditorium. For the third consecutive year, the Purple and Gold from Broughton copped the mythical "City Championship" with two impressive victories over Hugh Morson

A total of 922 points was amassed in the 18 games for a 51 point-per-game average. Twice, the Hurricanes hit the 75 point mark, but dropped as low as 29 points in their first game. Kim Buchanan was the point leader this season bucketing a total of 288 points. Second in the running was center Bobby Goss with 19. John Duncan had 137; Mial Williamson, 116, and Dick Sommers, 85.

Sporting an average height on the string of 6 ft. 2 in., the Hurricanes were usually superior to their opponents in this department. Height was an important factor in each victory and with 6 ft. 7 in. Goss, 6 ft. 4 in. Buchanan, and 6 ft. 1 in. Duncan, they dominated most all backboard play. Defensively, the Broughtonites were excellent. The opposition was limited to 60.4 points for a 34 point-per-game average. Greenville was held to only 20 points during the entire game early in the season.

During this, his third varsity season, Mr. Holliday coached by far his best Broughton squad offensively and defensively. Four of his cagers made starting positions for the Valley All-Star team. Buchanan, Duncan, Goss, and Williamson shared positions with Hugh Morson sophomore Johnny Kelly. Buchanan was a unanimous choice.

Serving as Co-Captains were Forward John Duncan and Guard Mial W.

The reserves on the squad saw action in almost every

Coach Clarence Bowers' Jayvees were 10-5 on the season in Park City, but played a much less successful season on the road. They lost to the Grizzlies, Butte, and the Idaho State College team. Head Coach: J. Holman, Sr., J. V. Coach: Coach Boyan, *left*.

## JAMESVILLE

In their first game of the season, the Hurricanes ran into some unexpected competition when they defeated a defensively-minded five from Coach Holliday's home town 29-21. (Overconfidence hindered the Broughtonites considerably.

## BETHEL

In close succession, Bruma's men took the chances to finish the Chilean forwards (p. 6). Bruma's success in his 112 possession was also a success. As a defender, it is not always easy to find the space to play in the second half.

## ROANOKE RAPIDS

In a report in the *Herald* put out on 4 October, the source power in own at a discussed Yew back that  
 (2) Cross, A. B. A. Duncan Buchanan and W. Johnson with a date of 10, 11 and 12 in which 1000 British

## BURLINGTON

It took less than a week to cross AA term, the Hispanics battered hard enough not to be able to defeat the Red Factor Bulldogs yet. A end was being up at the second quarter when the Bulldogs took over with a surprise from Hanan, who contributed 13 points.

## GREENVILLE

The home team opposed to only 24 points and leading by 26 points at half time the Purple Hurricanes scored two more baskets in the second half crossing the Greenville Phantoms 74-20. Buchanan and Dickson contributed 11 to pace the winners.

## CAMPBELL FRESHMEN

Playing away from home the Hurricanes were outscored by Buchanan and Dickson. The Hurricanes scored 30 points in the first half and 25 in the second. The Campbell Freshmen made only 10 points in the first half and 12 in the second. The final score was 55-42.

## WILSON

In their first game on a foreign court, the Hurricanes defeated a determined Cyclone crew in a hard fought last quarter play. Buchanan was the scorer with 27 points. Reserve Harold Koons broke a third quarter tie with a set shot to send the Hurricanes into the lead which they kept until the final gun.

## CAMPBELL FRESHMEN

Playing at home the Hurricanes defeated the Campbell Freshmen 75-47. Big Bobby Goss chipped in 23 points to take all scoring honors. All fifteen varsity men saw action.

## GOLDSBORO

Broughton took the Purple Hurricanes to the court with a streak of 10 points. Kim Buchanan contributed 15 points. During the game Goss and Buchanan paved the way to the triumph.

## HUGH MORSON

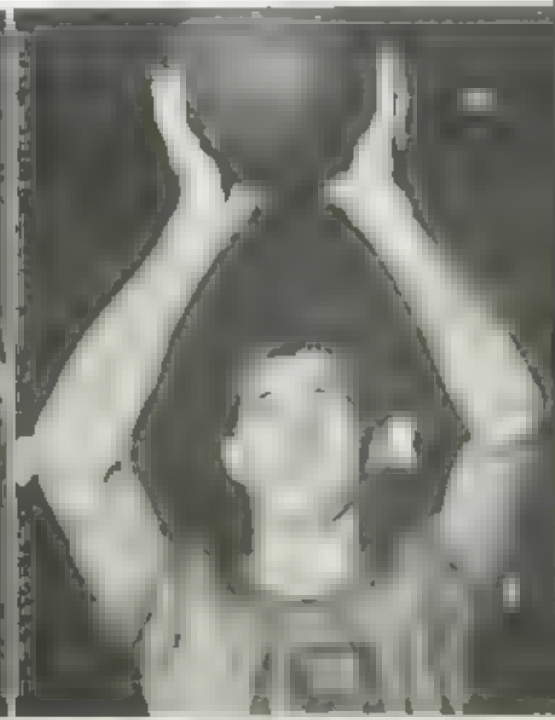

The victorious Broughton Hurricanes faced their cross town rivals the Morson Caps. The Purple Hurricane scored 44 points in the first half and 36 in the second. The Purple Hurricane won with 80-30 points respectively. The last-half Broughton power completely bewildered the Morson Caps.

## **FAYETTEVILLE**

By winning the Fayetteville Bulldogs 33-25, Broughton's Hurricanes captured their eleventh consecutive victory and fifth victory over an AA club. Again it was Buchanan and Goss who took high scoring shots. A total of 21 shots were committed in the roughest game the Broughtonites have played.

## **BURLINGTON**

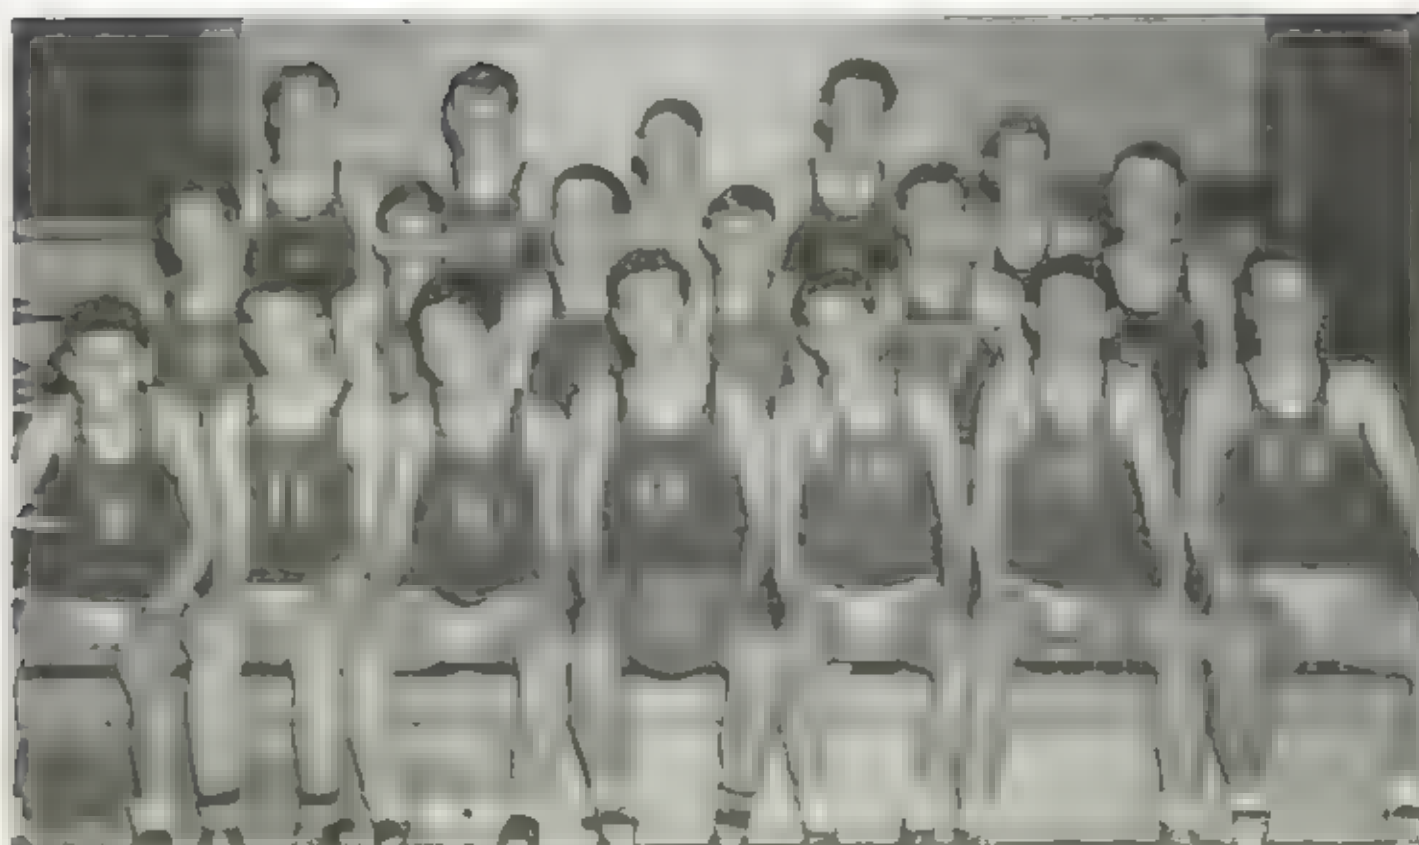

In a three-minute overtime period, Buchanan sank a field goal and two free throws to lead Broughton to a 34-30 triumph over an improved Burlington squad. It was nip and tuck all the way and the Hurricanes held a two-point lead at all times. Because of the five foul limit, Holaday's reserve played most of the last quarter and the exciting overtime.

## **ROCKY MOUNT**

Every reserve saw action once and as the ever-swinging Purple Hurricanes chalked up a 35-20 victory over the Rockies of Rocky Mount. It was a team victory with exceptional ball-handling and shot accuracy. Eleven of the Hurricane players scored.

## GOLDSBORO

Complete outclassing of Hartspoke visitors, the Hurricanes made a victory march to a 34-10 triumph over the Buccaneers. Prominent tackler was Mar W. Cannon at Bobby Cross. Cannon's efforts were rewarded before fouling out. Height was the most important factor in the triumph.

## ROCKY MOUNT

Broughton received a scare in their close win over the Blackbirds on the latter's court. The final score was 44-38, the two teams being confronted from scratch to the end. Although Broughton was clearly dominant in the first half, the Blackbirds were able to outscore the Hurricanes in the second stanza.

## FAYETTEVILLE

Coach H. may have reserves lost of his side to rest in states to which the Hurricanes were sent once again the Fayetteville Bulldogs. This time the score was 45-33, but the game was not as close as the score indicated. Caviness led the reserves during their play.

## HUGH MORSON
